Sprint2-Report	1
1-index.html.....	2
2-about.html	2
3-contact.html	3
4-login.html.....	3

1-index.html

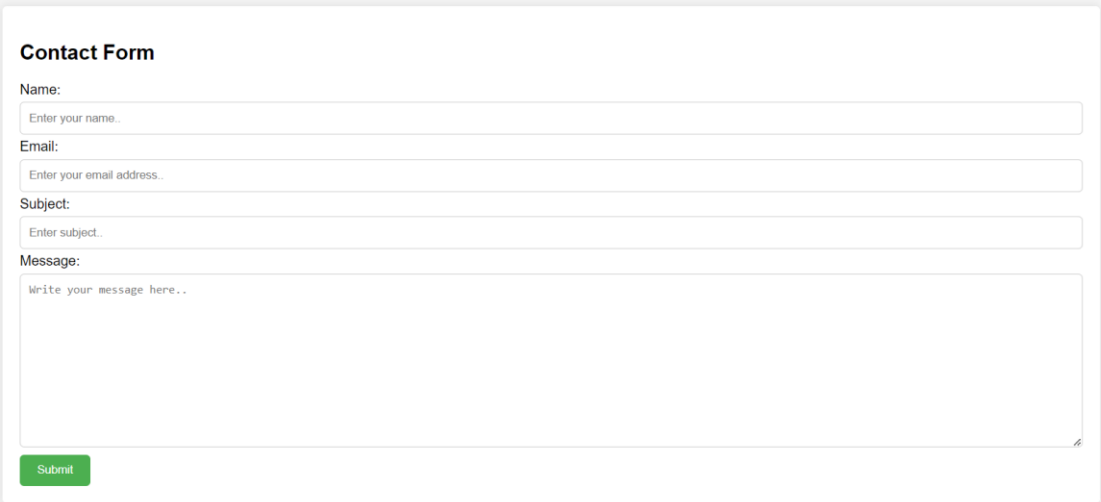

Our index.html page includes a navigation bar with a sign-in button. The navigation bar also contains links to contact, home, and about pages, directing to their respective HTML pages. Clicking on the sign-in button redirects to the login.html page. Within the body section, there's a video looping infinitely. The footer section includes a copyright notice.

2-about.html

The about.html page contains a temporary description about us and a background image.

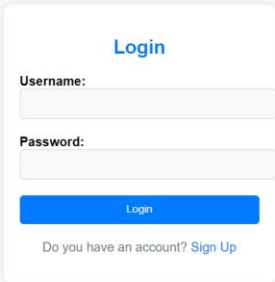

3-contact.html

The image shows a contact form titled "Contact Form". It contains four input fields: "Name:" with placeholder text "Enter your name..", "Email:" with placeholder text "Enter your email address..", "Subject:" with placeholder text "Enter subject..", and "Message:" with placeholder text "Write your message here..". A green "Submit" button is located at the bottom left of the form.

The contact.html page contains a simple contact form with four input fields: name, email, subject, and message.

4-login.html

The image shows a login form titled "Login". It contains two input fields: "Username:" and "Password:". A blue "Login" button is located below the password field. Below the button, there is a link that says "Do you have an account? [Sign Up](#)".

The login.html page contains a login form with two input fields for password and username, and a submit button. Additionally, there's a link labeled "do you have an account?" below the form.
